

The Button Art Challenge

Easter Egg Hunt Idea

Supply Ideas:

Buttons all shapes, colors and sizes

Sequins

Glue Dots

Foam Stickers

Small art supplies that will fit in egg

Evenly distribute all the art supplies among the Easter eggs. After the kids find their eggs. The Easter Egg Challenge will be to create a work of art that either represents Spring or Easter using only the buttons, sequins & stickers from their collected eggs.

Have a work station ready with glue, glitter, markers & crayons. They can either come up with their own creations or use a coloring page to decorate with their supplies.

Remember to assist the younger ones with their glue, glitter & glue dots. Let the children display their artwork somewhere special.

Suggested for Small Family Easter Egg Hunts- 2-6 Kids
